WITNESS STATEMENT

Name: Samuel Kiprono

Occupation: Driver, Baraka Haulage Ltd

On 19th May 2025 I was driving KDH 418Q from Nakuru to Kisumu with 600 bags of cement.

Near Kipsitet at about 4.30 am the road was wet and a matatu overtook from the opposite side.

I swerved to avoid it and the truck overturned.

The cargo was lost and some was taken by people who came to the scene. I reported at the police station the same morning. I was not injured.

I make this statement believing it to be true.
