MFANO MEDICAL CENTRE

MEDICAL REPORT

4th March 2025

Patient: Grace Akinyi Ouma Age: 41

The patient was admitted on 14th February 2025 with acute abdominal pain and discharged on 19th February 2025 after an appendectomy.

Diagnosis: acute appendicitis. There is no record in our files of any earlier treatment for this condition. In my opinion the condition was not pre-existing.

Total hospital bill: KES 412,750 (itemised invoice attached).
